

## **Workshop on C-Map Training** Beirut, 24<sup>th</sup> May 2018

Lebanese Association for Energy Saving and for Environment

**9.00-9.30**

- Opening and Registration
- Presentation of the workshop contents and objectives, Eng. Tony Matar

**9.30-11.00**

- Presentation of ENEPLAN project, Dr. Rita Najjar.
- Presentation of Concept-mapping objective and tools: C-Map allows learners to look at the relationships between concepts and understand them as part of understanding a single concept, C-Maps tools are a way of representing these relationships between ideas, images and words. They are graphical tools for organizing and representing knowledge in an organised fashion, Dr. Rita Najjar.
- Presentation of C-MAP on managing the transition from fossil fuel to renewable technologies in Lebanon in a manner that is technically, economically and environmentally sustainable, Dr. Rita Najjar.

**11.00-11.15**    **Coffee break**

**11.15-14.30**

- Exercises on C-Maps, group work moderated by Pr. Said Chehab, Pr. Adel Mourtada, Dr. Adnan Jouni and Dr. Rita Najjar: Extracting concepts and build up domain of knowledge for the common C-MAP + brainstorming on the following subjects:
  - Group 1: Sustainable energy action plan for municipalities
  - Group 2: "Grass", Green building paper
- Presentation and discussion of the exercises outputs
